<b>Terms &amp; Conditions</b>	
1	Items mentioned are tentative and if any additional item is required to meet the requirements, please include the same in your proposed List of items seperately. All labor/installation/fixing/laying/cable/PVC Conduit & Pipe charges will be paid at actuals.
2	<b>Site visit:</b> Every Tenderer/Bidder is expected to inspect the site/locations between Monday to Friday from 10:00 am to 4:00 pm except Saturday & Sunday and Govt. holidays, to ascertain the exact requirement of the Institute, at his own cost before quoting the rates. He/She must also go through all the terms and conditions as stipulated in the documents. It will be construed that the bidder has inspected the site and satisfied himself with the Institute's requirements, site conditions, and other relevant matters.
3	The solution should be complete in its all dimensions. Bidders will be responsible to Supply, Installation, Testing, Commissioning & execute the complete project.
4	The bidder is not allowed to sub-contract the project to someone else.

5	Proposed product's OEM Should have Dedicated/toll-Free Telephone No. for Service Support.
7	Data Sheet of the product(s) offered in the bid, are to be uploaded along with the bid documents. Buyers can match and verify the Data Sheet with the product specifications offered. In case of any unexplained mismatch of technical parameters, the bid is liable to be rejected.
8	The Switches and AP's OEM should not be blacklisted in any Central / State Govt Organization.
9	The passive components like CAT 6 UTP Cable and patch cord should be of same and reputed make.
10	<b>Warranty &amp; Maintenance:</b> All the equipments should carry one year comprehensive on-site warranty. After the completion of the warranty, the institute may get the AMC of the same. During the Warranty & AMC period, the vendor will be fully responsible for the proper functioning of the solution in its dimensions. Deviation in warranty terms, if any, shall be mentioned in the offer. During the warranty period, the vendor shall be fully responsible for the manufacturer's warranty with respect to the proper design, quality, and workmanship of the Equipment commissioned and integrated into the project. During the warranty period, the Vendor shall be responsible for attending to all the reported problems at no extra cost. Bidders are required to furnish the OEM's Warranty Letter, in support of the OEM's warranty for the equipment quoted.
11	<b>Delivery :</b> The delivery and completion period of the project shall be within twenty (20) days from the date of issue of order.
