About IIM AMRITSAR

Indian Institute of Management (IIM) Amritsar is the 15th IIM set up by the Ministry of Education with the support of the Government of Punjab. After the registration of IIM Amritsar Society on July 27, 2015, the first batch for the class of 2015-17 was enrolled in August 2015. Later, on October 14, 2015, the IIM Amritsar Board of Governance & Society was constituted. In June 2016, Finance minister Shri Arun Jaitley laid the foundation stone for IIM Amritsar Campus. Currently, IIM Amritsar is the 15th oldest IIM and one of the premier management institutes in the country. DIRECTOR'S Message

Dear Recruiter, Greetings!

I am proud to share with you that IIM Amritsar has completed the past academic year well on time. The IIM Amritsar community expresses its sincere gratitude to all the recruiters for supporting us during the pandemic and helping the institute achieve 100% placement. I take pleasure in introducing the eighth and ninth batches of MBA students of IIM-Amritsar. The batch consists of two hundred-and-seventy-nine (279) MBA students who will be graduating and looking for the final placement from the MBA08 batch. The batch of MBA08 is a well-

diversified batch with students from a varied educational backgrounds and professional experiences. In the current academic year, in addition to the MBA program focusing on the broad-based curriculum, the institute also has MBA (Business Analytics) and MBA (Human Resource Management) students moulding them to meet the industry demand. Both of these programs are designed to equip the students with the tools and skills needed to succeed in their careers. The MBA09 batch consists of overall three-hundred-thirty-one (331) students from all over the nation, reflecting the national character of the institution. To complement the academic environment provided by expert faculty members, the industry interaction exposes the students to the real world through various conclaves (HR, Finance, Marketing, Strategy, Operations) organized throughout the year, allowing interactions with industry experts. Additionally, our students are very active in serving the community through their corporate social responsibility initiatives to complete a holistic education and participate in national and international competitions. As evidence of our student's calibre, the number of first-time recruiters and returning companies has been on the rise. During the 2022-23 placement season, the number of companies visiting the campus for final placement increased to more than 120. Similarly, the number of companies recruiting our students for the summer placement was more than 105. The interest shown by the industry in the recruitment of our students bear testimony to the confidence shown by the industry in the students of IIM Amritsar. I personally invite you to this year's campus recruitment event and look forward to welcoming you. Please do not hesitate to contact our placement coordinator or me to assist you in any way we can to make this year's event an even better one.

Dear Business Leaders,
Greetings from IIM Amritsar!

IIM Amritsar, established in 2015 by the Government of India as the country's 15th IIM, has emerged as a premier hub of budding managerial talent. In a short span of eight years, IIM Amritsar has carved a distinct identity among corporate recruiters. Their exponentially growing participation in the summer internship and final placements process bears testimony to the institute's solid intellectual capital and vibrant learning environment.

Enabled by the dynamic leadership of our director, and guided by an accomplished & experienced faculty team, we strive for excellence in management education. In terms of pedagogy & courseware, learning assessment and evaluation, academic and extra-curricular rigor, we have continued raising the bar as one of the fastest-growing institutions in the country.

In 2022-23, we attracted unprecedented interest and participation from first-time recruiters. This is indeed a resounding vote of confidence and a humbling responsibility for us. Academically, the institute has taken significant strides in the last year. We have started three innovative programs – a specialized full-time MBA program in HR, an MBA program in Analytics, and an EMBA program for working professionals.

With great pride and confidence, we present to you the students of our flagship MBA program. Apart from robust business acumen, our students possess integrity, emotional intelligence, perseverance, critical reasoning, and decision-making skills. We urge you to experience the enthusiasm and dynamism of an IIM Amritsar student-manager!
