About IIM Amritsar

Indian Institute of Management (IIM) Amritsar is the 15th IIM set up by the Ministry of Human Resources Development with the support of the Government of Punjab. The institute has graduated six batches of MBAs with 100% placement with increasing compensation package year after year. The Institute is looking for faculty members with a strong passion for building an institution offering a world class education consistent with the tradition of IIMs.

The construction of the permanent campus is in progress with the expected completion date of mid-2022. The temporary campus of the Institute is well-equipped with learning and technological resources conducive to teaching, learning, and research. With diversity of students and faculty from all over India, the Institute reflects a truly national character commensurate with its status as an institute of national importance.

Faculty Hiring/Development

Faculty for the Institute are recruited through a rigorous process of screening and assessment. Coming from IIMs, IITs and reputed foreign universities, the team of faculty members have impressive academic and research credentials. This cohort is complemented by experts from the industry. Suitable funding and support for teaching, research, conference travel, software, etc., is provided to support faculty development.

Programs

The Institute currently offers General MBA program, MBA program in Business Analytics, MBA program in HRM, full time Ph.D. program, hybrid Executive MBA program, and both long and short duration MDPs. From the academic year 2022, the institute will also admit students into a five-year Integrated MBA program and a two-year Master's program in partnership with IIT Ropar. The Institute looks forward to attaining standards of global excellence as enshrined in the IIM Act, through its high-quality teaching, research, consulting, advisory and capability building initiatives and developing world-class leaders.
