INDIAN INSTITUTE OF MANAGEMENT

The Indian Institute of Management, Amritsar, hosted the 7th annual operations and strategy conclave, Sankshetra, today. Sankshetra serves as a dais for eminent industrialists from the operations and strategy fields to break down the current happenings in this area of work and explore their various facets. The conclave had two sessions. The operations session was conducted on the theme 'Role of Supply Chain in Creating Circular Economy'. Through this session, industry stalwarts from the operations domain explored the crucial role of the supply chain in creating a circular economy by influencing how products are designed, produced, consumed, and disposed of. The keynote speaker for the operations panel was Ajay Singh, Vice President (supply chain management, Hindustan Platinum). Other panellists included Dr Radha Mohan Gupta, former SVP (supply chain, Devyani International Limited); Mandar Kulkarni, Head (warehouse and logistics, Sun Pharma); Shivendra Ojha, Director (strategic sourcing and procurement, Cargill); Ajay Sikka, Director (global supply chain CoE, Carrier); Bharat Bhushan Rathi, Head (distribution and logistics, Mankind Pharma Ltd). The strategy session was conducted on the theme 'Navigating Economic Downturns: Industry Challenges and Strategies'. TNS
